

Supervision and Duty of Care Policy

1. Policy Objective

To ensure that Casterton Secondary College staff have an adequate awareness and understanding of their duty of care obligations and responsibilities to provide adequate supervision to students.

To ensure that Casterton Secondary College staff conduct themselves at all times consistently with these legal obligations and responsibilities.

2. Policy statement

Principals and teachers have a special duty of care in relation to their students to take steps that are reasonable in the circumstances to protect students from risks of injury that should reasonably have been foreseen. This duty includes the duty to provide an adequate system of supervision.

The duty is not to prevent injury in all circumstances – it is a duty to take *reasonable* steps to prevent injury which is *known or foreseeable*. The question of what are reasonable steps will depend on the individual circumstances of the case, and consideration of the following factors:

- The probability that the harm would occur if care were not taken
- The likely seriousness of the harm
- The burden of taking precautions to avoid the risk of harm
- The social utility of the activity that creates the risk of harm

The duty may, in some circumstances, extend *outside school hours* and *outside the school premises*. This will depend on whether the relationship between staff and student extends to the individual circumstances, whether the risk was known or foreseeable, and whether there were any reasonable steps that could be taken to prevent the injury from occurring.

The duty is *non-delegable*, meaning that it cannot be assigned to another party.

3. Supervision Policy

The principal is responsible for ensuring that there is an adequate system of supervision in place during school hours, before and after school, and on school excursions and camps.

Teachers and other school staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, times and places.

Before School & After School

Students at Casterton Secondary College are supervised for a minimum of 20 minutes before and after school. This supervision may include some or all of the following:

- Monitoring of entry or exit points and/or designated pick up and drop off areas
- Supervision of the arrival and departure of school contract buses
- Yard supervision
- Locker area supervision
- Corridors

Supervision at the end of the school day will be provided until 3:40 when the last school bus departs. This supervision will include supervision of students waiting to board the school buses.

If a parent, guardian or carer (or other authorised person) has failed to collect the student after school, the next steps may include some or all of the following:

- Attempting to contact the parents, guardians or carers

- Attempting to contact the emergency contacts
- Contacting the Victoria Police and/or the Department of Human Services (Child Protection) to arrange for the supervision, care and protection of the student

Classroom

The classroom teacher has ultimate responsibility for the supervision of all students in their care.

This duty cannot be delegated to external education providers parents or trainee teachers. Withdrawal from the classroom is to occur in accordance with the Casterton Secondary College's Discipline policy.

If a teacher needs to leave the classroom unattended at any time during a lesson, he or she should contact a colleague for assistance where practicable. The teacher should then wait until alternate supervision is being provided prior to leaving the classroom.

Recess and lunch times

The Principal is responsible for ensuring that students are adequately supervised during recess and lunch. This will usually involve designating areas in the yard, and developing a roster for staff to supervise students in the designated area for the time indicated in the roster. At Casterton Secondary College, the Assistant Principal is responsible for preparing and communicating the yard duty roster on a semester basis. A yard duty roster is provided to each member of staff outlining the designated areas for supervision and starting and finishing times.

Teachers who rostered for duty are responsible for remaining in the designated area until the end of the break period, or until replaced a relieving teacher, whichever is applicable. During yard duty, supervising teachers should be guided by the following:

- If the designated area is large in size, teachers are expected to methodically move around the area rather than remain static in the one position. This increases the ability to appropriately monitor student activity.
- Be alert and vigilant
- Intervene if potentially dangerous behaviour is observed in the yard
- Enforce behaviour standards and implement logical consequences for breaches of safety rules
- Ensure that students who require first aid assistance receive it as soon as practicable

If the supervising teacher is unable to conduct yard duty at the designated time, he or she should contact the Assistant Principal to ensure that alternative arrangements are made.

If the supervising teacher needs to leave yard duty during the allocated time, he or she should contact the Assistant Principal or the other teacher on duty..

Late arrival or early departure

The Principal will ensure that the school has a procedure in place for the safe collection and drop off of students at school during school hours (eg late arrival or an early departure). This will include a record of the date and time, the reason for the late arrival or early departure, and the person who has authorised the late arrival or early departure.

At Casterton Secondary College, the procedure is as follows:

Late arrival: students who arrive late to school are required to report to the Assistant Principal's office to sign the Late Arrival / Early Leaver book. The student is then issued with a Late Pass to present to the class teacher.

Early dismissal: A student wishing to leave early is expected to bring a note from a parent / guardian requesting this. The student is receives an Early Dismissal Pass and is expected to sign the Late Arrival / Early Leaver book when they leave.

Visitors

The Principal will ensure that there is a procedure to monitor all visitors in the school.

Casterton Secondary College requires all visitors arriving and departing the school premises

during school hours to use a visitors' book to record their name, their signature, the date and time, and the purpose of the visit.

The principal and teachers are expected to respond to an online incident that impacts on students at the school as soon as they have knowledge of its occurrence.

The teacher would be expected to notify the Principal or, if unavailable, another member of the Leadership Team, who would also include the IT technician.

Incursions

Teachers must continue to supervise their students even whilst a visitor, speaker or instructor is presenting to the class.

Visitors, speakers and instructors should not be responsible for supervising students on the school premises.
